We welcome you to Marlboro Islamic Preschool

1. WHAT DO WE DO AT MARLBORO ISLAMIC PRESCHOOL?

Our aim is to provide outstanding early years education through creative play and learning experiences in a happy and relaxed atmosphere. We provide a diverse curriculum on the Montessori Method and the early year's foundation phase. We teach children to facilitate their exploration through academic, play and creativity. All subjects are interwoven and the child learns at his or her own pace, this helps the child gain independence, confidence and be proud of their own achievements, incorporated with life skills; literacy; math; science; independent self-help skills; play; social learning and creativity. Being an Islamic preschool, we try to implement many Islamic aspects such as Sunnahs, our learners are taught to recognise and recite the Arabic alphabets, Surahs, Duas, Islamic poems, Nazms, Akhlaaq and Adaab. We incorporate audio-visual learning aid as well as Islamic arts and crafts.
